

Add 100's Of Products To Your Website

Add the latest trophies and award products to your website with a click of your mouse!

PDU makes it easy for you to add a sport and corporate catalog to your website. We have posted our 2009 "Rewards and Recognition" Sports Awards catalog and 2009 "Setting the Standard" Corporate Awards catalog on sites which can be blind linked to your website.

The online catalogs do not mention PDU so your customers can browse through hundreds of new and exciting products just as they would when they visit your store. Once they have found the award they want, they can print out the page and bring it into your store or call you to place their order.

To create a link between your website and these catalogs, simply copy the code below into your HTML source:

```
<A HREF="http://www.sport-catalog.com">2009<i>RewardsandRecognition</i>-Sports Awards Catalog</A><BR>
```

```
<A HREF="http://www.corp-catalog.com">2009<i>SettingtheStandard</i>-Corporate Awards and Gift Catalog</A><BR>
```

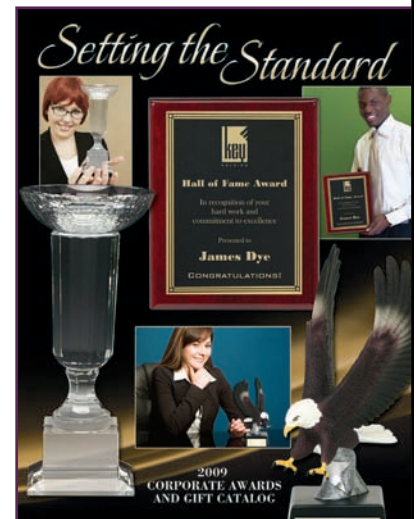

Or refer customers directly to these Websites:

www.sport-catalog.com for the 2009 "Rewards and Recognition" Sport Catalog

www.corp-catalog.com for the 2009 "Setting the Standard" Corporate Catalog

PDU's Retail Catalogs are also available for purchase. When you purchase Sport or Corporate Catalogs from PDU you will also receive a price list, bill of materials and a CD containing high and low resolution images for catalog reproduction and web site use. See below for pricing details.
