

AcrylaThins™

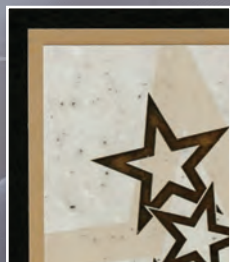

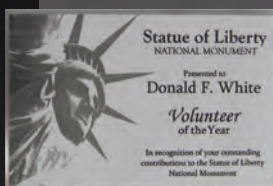

**Winner of the 2013
Best New Engraving Product**

Everyone is talking about AcrylaThins,
the new engraving material which enables
you to create

- Unique dimensional images
- Halftones (photos)
- High-end, artistic awards and gifts

With your laser engraver.

With AcrylaThins, you are only limited
by your imagination!

Contact PDU at
800-800-7711, your PDU
Sales Representative, or your
PDU Authorized Distributor
for more information on
AcrylaThins.

Ask about the FREE
AcrylaThins Sample Keychain
that is available while
supplies last with your first
AcrylaThins order.

AcrylaThins are available in 12
colors and patterns and are scratch
resistant, which makes them an
easy-to-use alternative to plastic and
metal engraving stock.
